AUGUST 27, 1948

This price list supercedes all previous prices and quotations and is subject to change without notice.

Furthermore, all orders accepted by us and priced in accordance with this price list will be invoiced at the prevailing price at time of shipment.

All prices will be in accordance with regulations issued by Office of Price Administration.

This price list applies to sales in U.S.A. and Canada only.

Note certain articles marked with "†" are 10% higher west of Billings, Denver and El Paso, as indicated on price sheets.

GUARANTEE

Every Indestro Product is fully guaranteed against defects in material and workmanship.

Any Indestro Product will be replaced by the factory if it fails to give the service you have a right to expect.

Replacements will be subject to the judgment and discretion of the factory and will not be made where a tool shows unmistakable signs of misuse or abuse.

The guarantee does not apply if inspection shows that the tool has been worn out from use, or has been abused by hammering, or used on over or undersized nuts, or ground or design changed, or used for purposes other than for which it was designed.

RETURN GOODS AND OBSOLESCENCE POLICY

No merchandise is to be returned without written permission from the factory covering the specific items and quantities.

No merchandise can be returned that has been out of the factory 12 months or longer.

Merchandise that has been discontinued and dropped from the manufacturer's catalog for 12 months or longer, previous to the request for privilege to return, cannot be returned under any circumstances.

Before issuing credit for return merchandise all freight charges both ways, if any, shall be deducted from the amount of the credit. Ten Per Cent of Net Billing will also be deducted for handling charges.

In addition to above, if it is necessary to recondition the merchandise to put it in first class salable condition, a reasonable charge will be made.

All returns must be accompanied by an order for at least three times the amount of net credit. Under no condition can more than one-third of the amount of any new order be offset by a credit for returned merchandise.

Summary: 1—Written permission must be had for any return; 2—No return acceptable after merchandise has been out 12 months; 3—Freight charges both ways are deductible; 4—Reconditioning charge when necessary; 5—Return credit only applicable to new order on a \$3.00 to \$1.00 ratio.
